"What is time? The shadow on the dial, the striking of the clock; the running of the sand, day and night, summer and winter, months, years, centuries—these are but arbitrary and outward signs, the Measure of Time not Time itself. Time is the life of the soul."

Henry Wadsworth Longfellow

Thus do we express our theme. Time. How else can we illustrate the importance of Arcadia High School's first graduating class? Therefore, in memoriam to the seniors, the instruments by which traditions and ideals have been established and will be carried on through suc-

ceeding years, we dedicate—

Mr. Biggs:

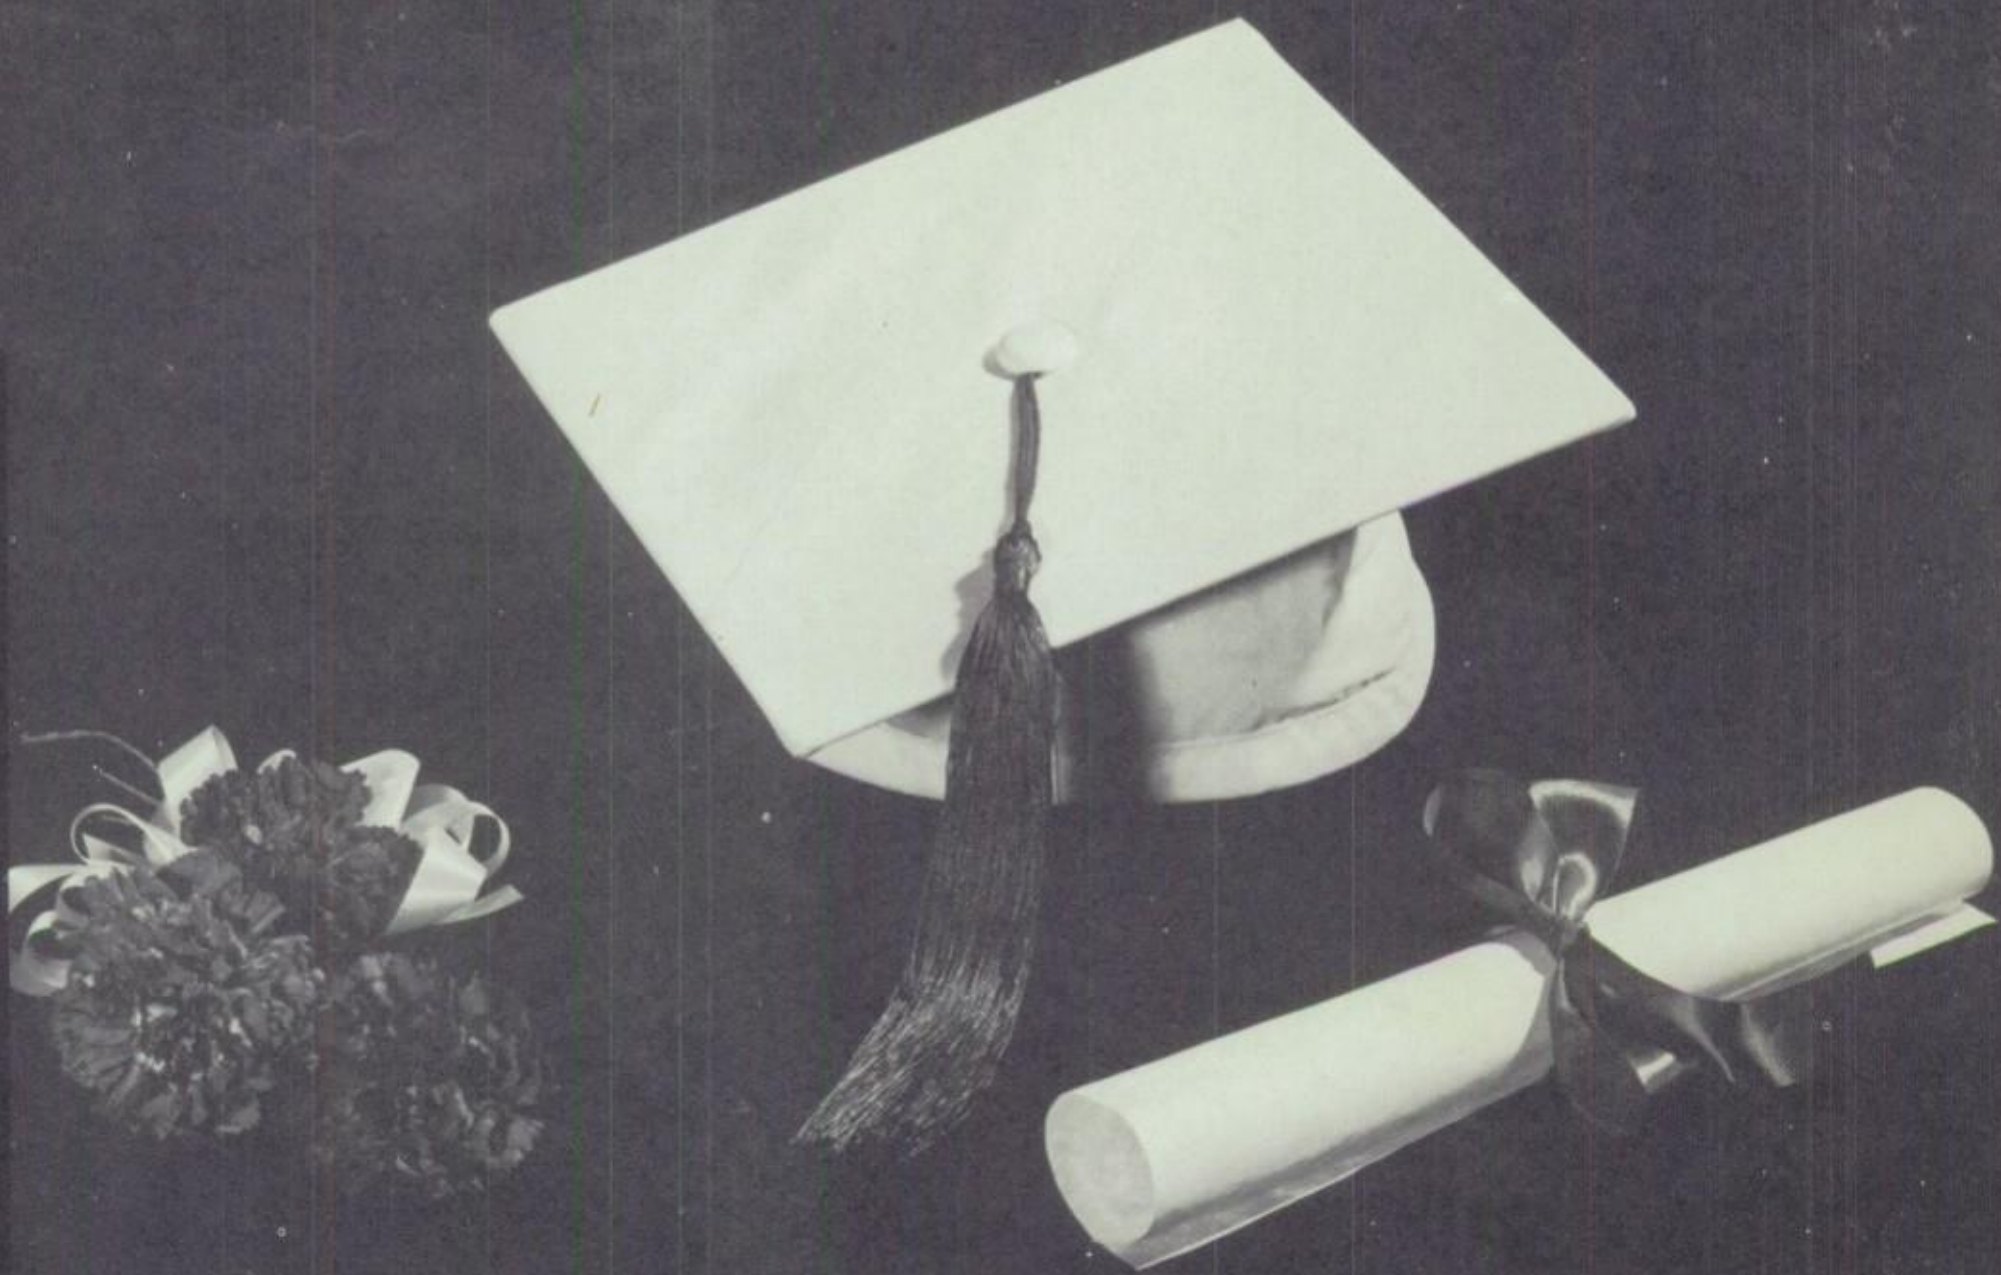

I wish that all my teachers had been as cool as you. It has been a pleasure to walk into this class, probably because you take students as individuals and treat them the same way. Keep up the good work, you're the most. Best of all always

When strong hands and able bodies built these walls from which our school arose, words were instilled into the foundations,

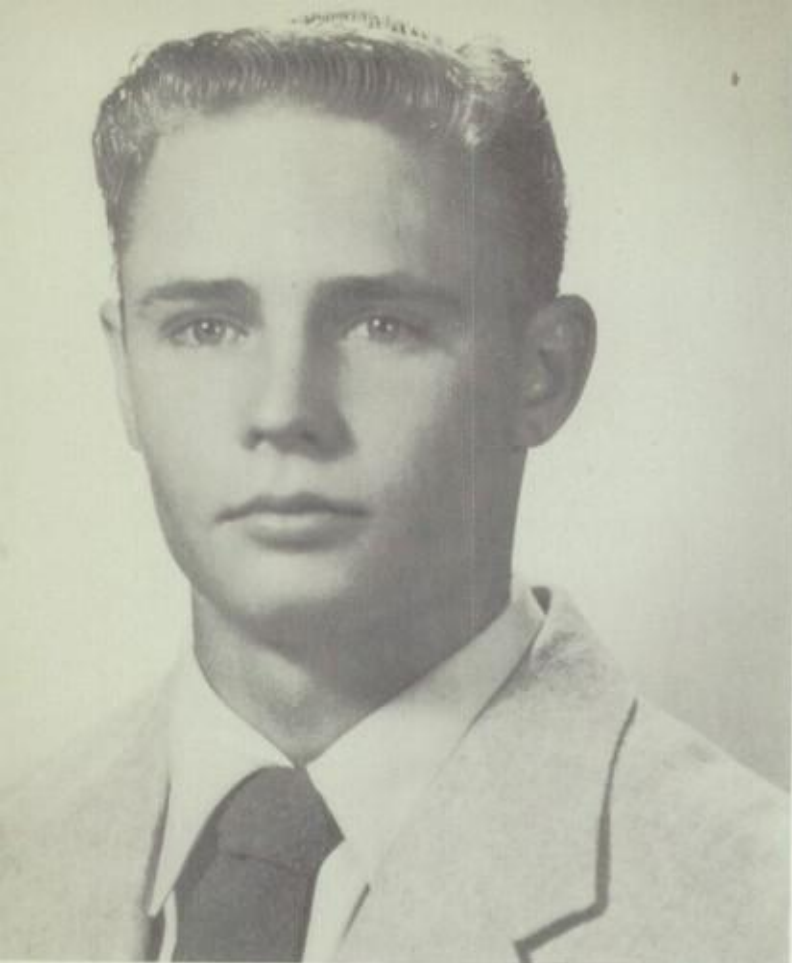

"Let Us Learn."

Through the past four years, the class of '55 has endeavored to follow these words molded forever in durable stone. The first recipients of that priceless heritage, knowledge, may be proud of the school they helped to create. Closing this chapter in their lives they advance with the thought that there is—

"Always More Beyond."

The Outstanding leadership of Alan Graves, our Student Body President, resulted in many activities and accomplishments of which Arcadia High School can be proud. His tall, lean figure was an accustomed sight at assemblies. In Student Council, he conducted the chosen representatives in a democratic way, making decisions and plans by which the whole school benefited.

*Led by our President . . . . .*

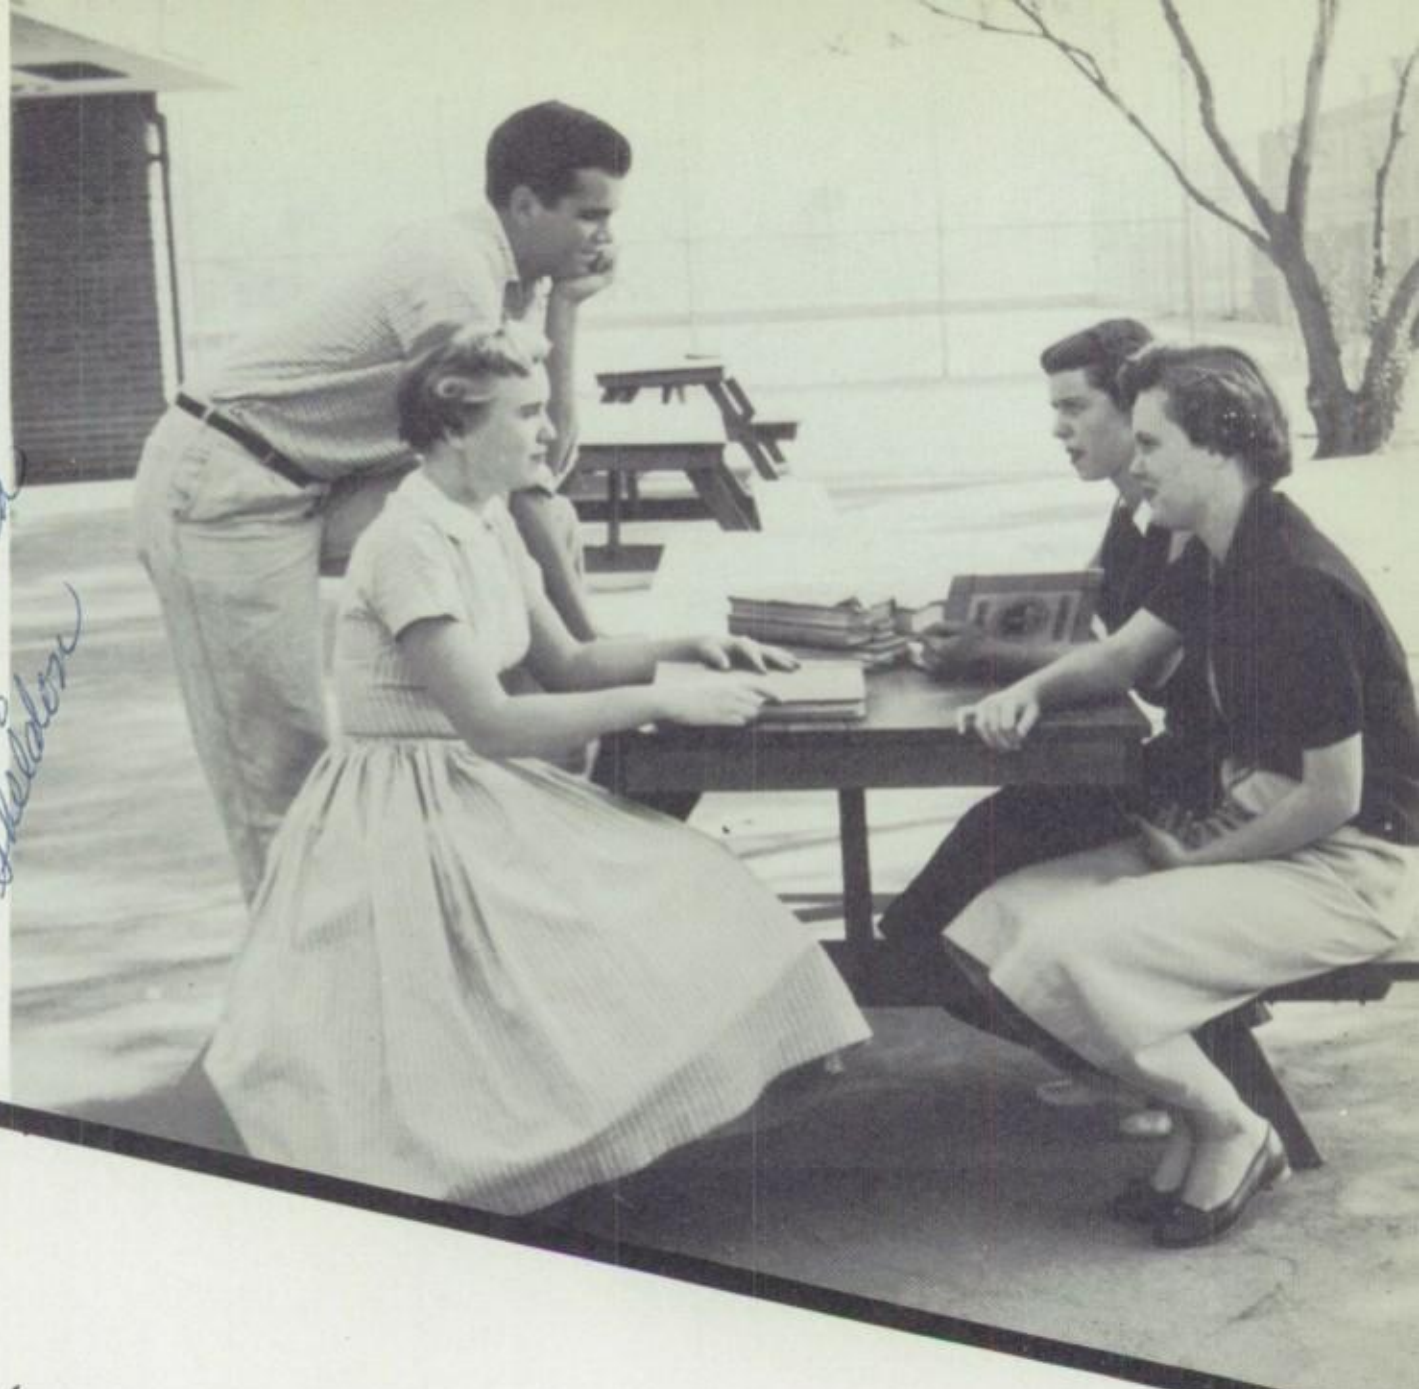

In the office of Vice-President, Dwight Cocke has served a successful term. He has been instrumental in developing plans for the annual Pow-Wow and has presided over the activities of the Inter-Club Council in planning for many club functions.

Important contributions to student government are credited to Treasurer Mike Cory, Corresponding Secretary Judy White, Recording Secretary Joan Sheldon, and Historian Lois Flanders.

*Biggs-  
Thank you  
so very much  
for putting  
up with us  
when we didn't  
have Student Council.  
Wish you'd teach  
next year!

## *Our Student Council.....*

Responsible for an increase in our school spirit and many more activities are Commissioner of Pep Neal Randle, Commissioner of Assemblies Pat Lewis, Commissioner of Athletics Dean De Benedet, and Commissioner of Buildings and Grounds Sue Galliher.

Our Representatives . . . .

Led by Leora Gregg, their president, and Mrs. Ruth Calvert, their sponsor, the Girls' League of Arcadia High School has endeavored to establish an organization in which a feeling of unity among the girls is created. Through the committees, each girl has been given an opportunity to participate and thus secure a sense of belonging.

*Mr. Biggs  
Thanks alot for  
the education and fun and  
help in Senior Activities  
hope you have lots of success  
in your new school*

The Senior Year is an important step on the road toward maturity, for it is here that we must make the great decisions regarding our future. There is a note of sobriety in the Senior Class; a new feeling of respect for one another prevails; students are endowed with greater privileges and responsibilities. Minds waver between Senior problems and plans for the future. Christmas vacation arrives before we know it and Easter vacation is awaited as never before. The Prom becomes a symbol of all dances; graduation of four of the most important years in our life. We shall look back on this year many times in the future, but never without that touch of nostalgia always associated with happy memories.

# Campus Life

What's this, a book? How 'bout that?

Four score and seven years ago . . .

And he said to me . . .

Why so sad? It's only the Newspaper.

# Remember the time.....

# Sophomores

No longer newcomers, but old hands at dodging assignments, are we the class of '57. Trying to get our program into line for future years, our life is divided between grueling homework and fabulous school activities. Passing from life in the lower division, we eagerly await the right to be called upperclassmen.

Mr. Briggs  
 I have been a great pleasure  
 for me to be in your class and to know  
 you this year. I have learned a lot in  
 your class that I will pass on to friends  
 and for in the many years to come. I  
 have much respect for you and  
 truly hope we can meet again.

Sincerely  
 Rocky Spaulding

The class of '58 has become an important part of our school. Their tremendous spirit and sportsmanship were portrayed in their acceptance of the trials of Hi Week. As custodians of the Victory Bell, they have actively supported social and athletic programs.

"The roar of the presses" encouraged the Pow Wow staff to strive to give the Apaches a better newspaper. Recording the highlights of the school year, they informed the student body of school activities, dances and happenings on campus. Editor Julie Chasseur and advisor Mrs. Hazel Reegler led the staff in making this campus tabloid a big success.

# Build Enthusiasm

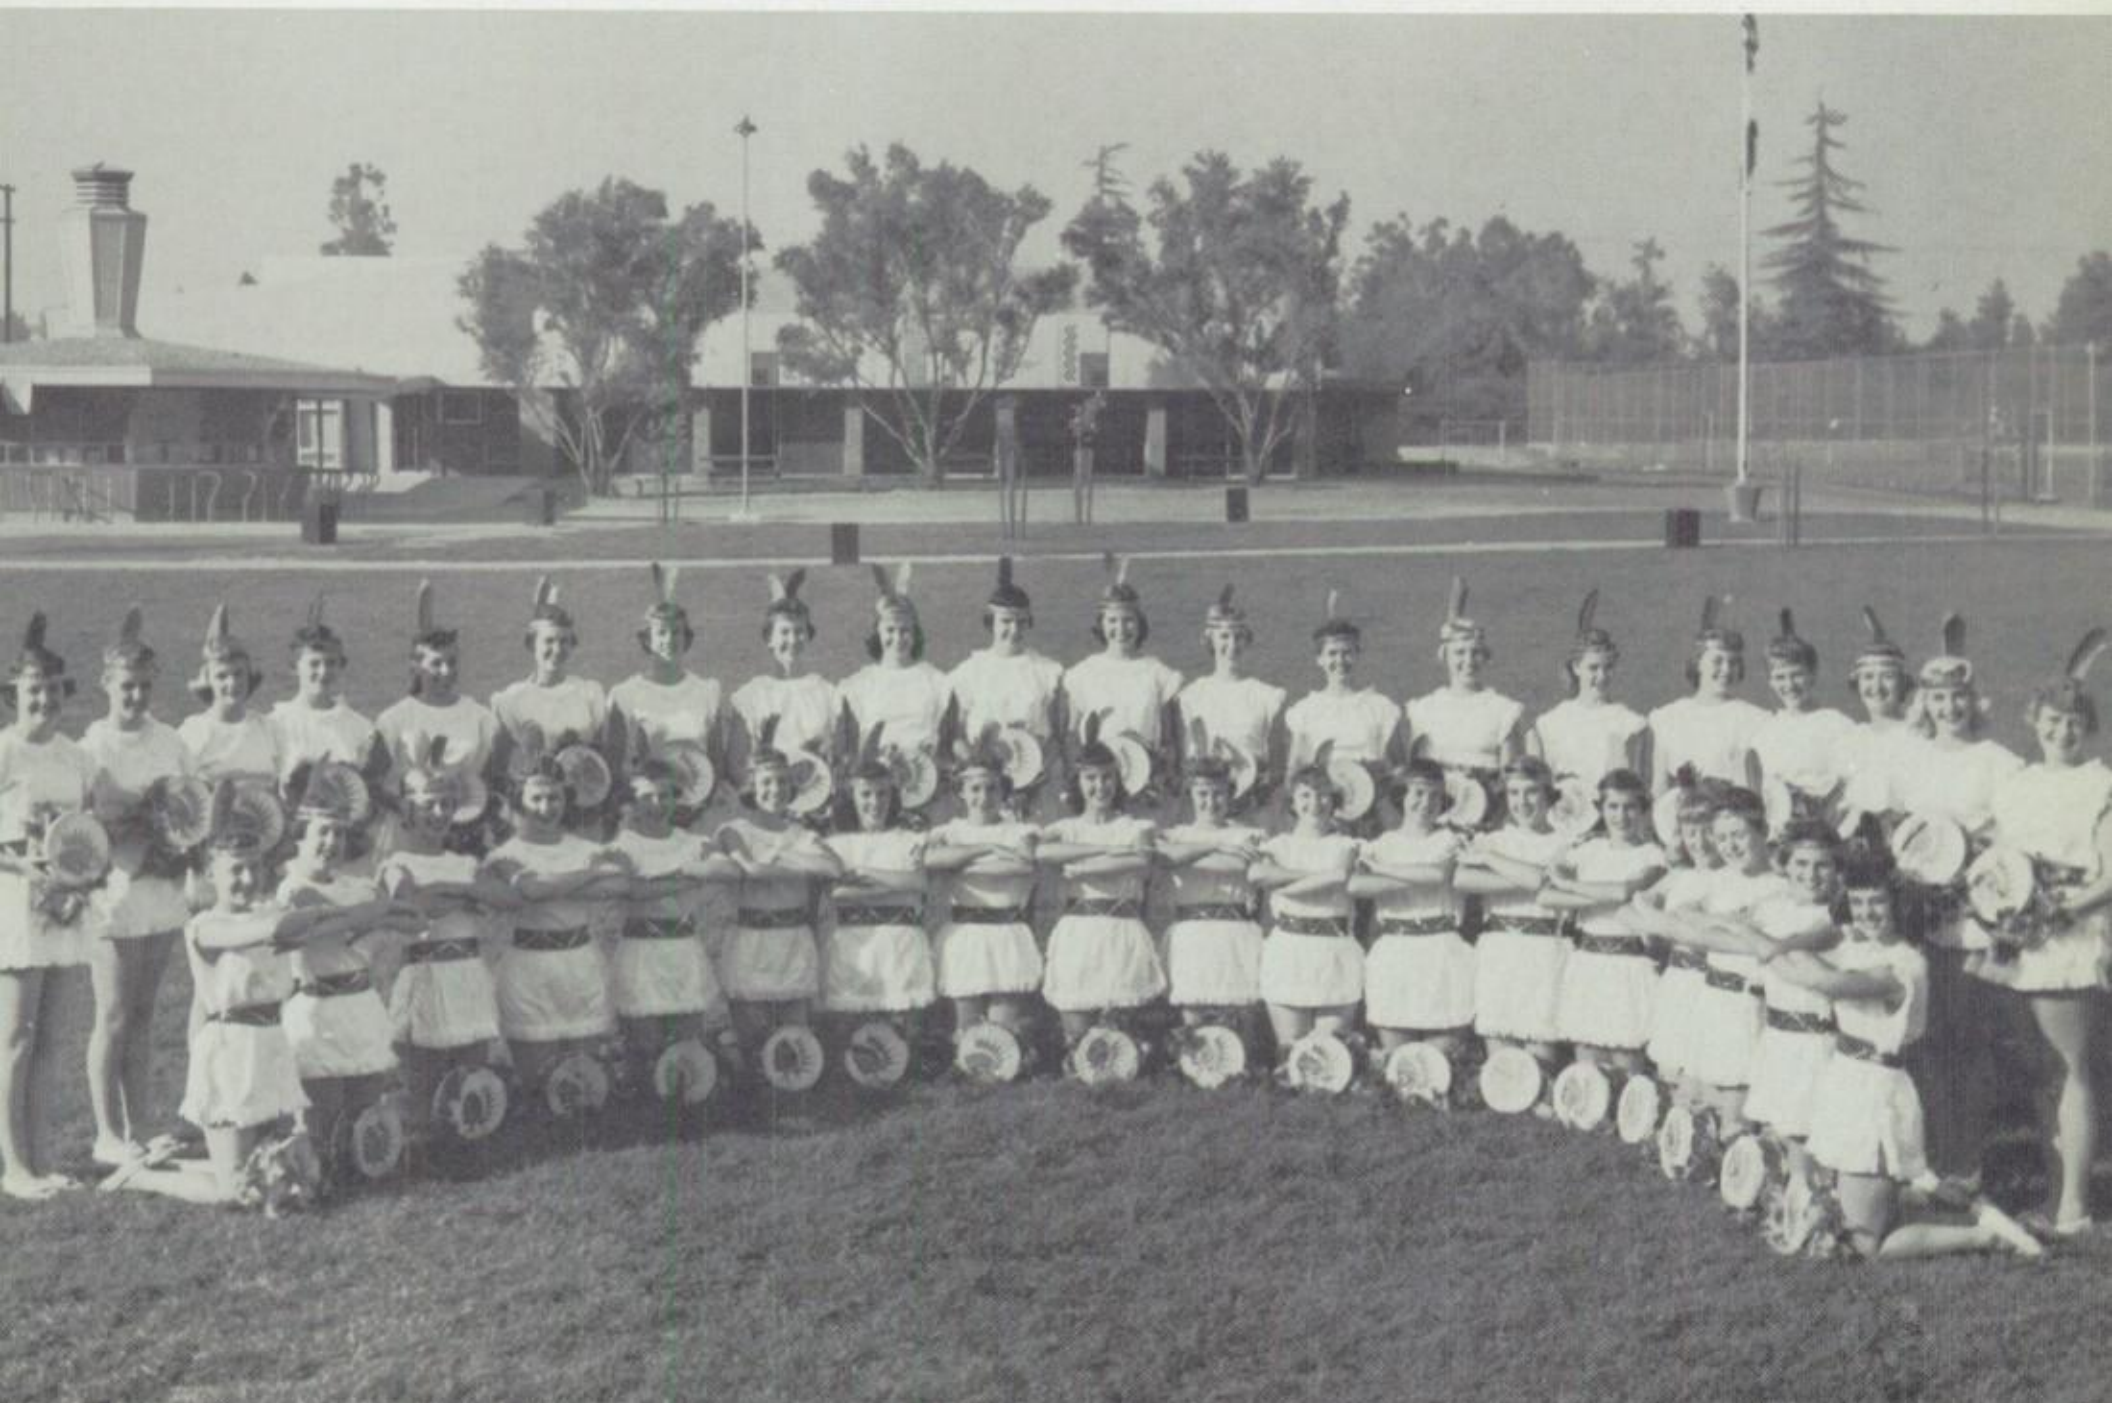

"Let's really yell!" was the cry of Phil, Margie, Rog and Mike and the crowd cheered on. Our lively songleaders, Sheila, Gail, Sonya, Nancy and Evie, whose smiles and flashing pom poms brightened spirits, led us through our Apache fight song.

Half-time activities were enlivened by the thrilling formations of the Tom Tom girls and the war dances of our Medicine Man, Johnny Humble.

Under the able baton of Manly Wood, the Apache Band of 1954-55 again proved to be one of the leading award winners on campus. Arcadia can be proud of their showmanship, the prestige and honor they bestow upon our school.

Not to be denied glory are our three majorettes—Carol Shelley, Deanne Yosek, Maxine Beck, and Phyllis Burton, Flag Twirler. Constant, persistent practice to acquire perfection was necessary, and they devoted much time and work to that practice.

The enthusiasm of Arcadia's supporters of spirit, were organized for the first time into the Pep Club, with June Cooperider as president.

led by Neal Randle, the Pep Commission planned rallies and maintained Arcadia's spirit throughout the year.

By blanking a strong South Pasadena team 12-0, Adcadia's Apaches of 1954 became a history-making eleven. The distinction of winning Arcadia's first Varsity football game will remain always with these boys. Although this being their only win, a spirit of fight and determination was part of the Apaches in every game they played. They never gave up! Late in the season the Arcadians hit paydirt again against Rosemead but went on to lose the fracas 13-7. Leonard Bose was elected captain for the year and Eddie Rowland received All-Pacific League honors by being selected tackle on the second team. Honorable mention went to: Bob Bailey, Stan Lamb, and Mickey Noble.

# Assemblies are Better Than Ever...

This past year has witnessed many exciting assemblies, including awards presentations, musical programs and exchange assemblies, under the able guidance of Pat Lewis, Assembly Commissioner. Midway through the year the "Downbeats" made their appearance when the Student Body witnessed our own exchange assembly. The voices of the A Cappella Choir delighted us with excellent singing under the direction of Mr. James Neumeister.

Having passed Arcadia judges, the above participants appeared before Pasadena Playhouse judges to compete for a \$1000 scholarship. From left to right: Nancy Reed, Jerry Plano, and Julie Chausseur.

# Arcadia Students

We realize there will be others who will win scholarships and achieve high distinction, but unfortunately our press deadline comes early and we are unable to recognize those students who won honors during the last quarter.

DEAR MR. BIGGS:  
 I KIND OF SLIPED OFF THE  
 BEEP END OF THIS SEMESTER  
 BUT I WANT YOU TO KNOW  
 THAT I REALLY PROFITED BY  
 YOUR CLASS. I'M GLAD THAT  
 I HAVE MORE TO SHOW THAN  
 A GRADE THAT DOESN'T MEAN  
 MUCH TO ME OR NOT YOU  
 YOU KNOW IT OR NOT YOU  
 HELPED ME OUT A GREAT DEAL  
 BY BEING A GOOD EXAMPLE OF  
 WHAT I THINK A LOT OF PEOPLE  
 SHOULD STAND FOR. THANK YOU

Mr. Biggs

It really has been nice  
being in your class this year.  
I hope we haven't been too  
much trouble - Good luck  
in your new job out in Redwood  
City - I think I enjoyed having  
you as a teacher - And here's  
wishing you the best of luck  
in the years to come -

Sincerely

Fancy Agayanian

Mr. Biggs.

Thanks for the courtesy you have extended  
to me throughout the year. You are the only  
teacher - and I hate to limit it to "teacher!"  
who has treated me like an adult  
human being - I shall never forget it to  
you - Best of all the good luck you  
can have or there is for the rest of  
your life - and may it be a long  
prosperous life.

Your Student + friend  
Conway Chester.

The silence of a school at night is something to be treasured and remembered. It is a living silence that seems to echo the murmur of a thousand voices. The lights burn late at night and soon die out. Life also is this brief; there is so little time to learn.

Mr Biggs -

It really has been great  
being in your class this past  
year. I really know that we  
were a lot of trouble (especially  
me) - but it really has been  
fun - So the best of luck to you  
in Redwood city - and don't  
let those kids get yeh - down!  
Maybe I'll see yeh again some  
time (I hope so).
